SHOWCASING EMERGING CREATIVES

‘Veritas’

SOPHIE TAYLOR

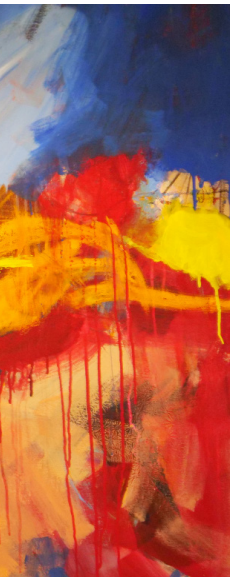

'VERITAS' IS SOPHIE'S THIRD SOLO EXHIBITION, AND EXPLORES THE THEME OF TRUTH AND AUTHENTICITY.

These works were created during a time of deep personal growth for Sophie, after experiencing grief, change and loss.

During this time she has been highly cognisant of the frailty, but also the resilience of humans, and the need to be authentic and vulnerable when connecting with others.

Though these pieces are true to Sophie's style, with vibrant colour and bold design, there is still great vulnerability in boldness and honesty. Her intention is to take the mystique out of artistic processes, and connect with people on a fundamental level through the beauty of colour, shape and design.

ARTIST STATEMENT

Sophie Taylor is a Perth-based emerging artist, specialising in abstract mixed media painting. She has sold pieces both locally and internationally, has been a finalist in art competitions, and exhibited in both solo and group exhibitions.

Driven by colour, Sophie explores mark-making, texture, shape, and layering, favouring bold, bright palettes. Her work examines artistic process over outcome, reflecting themes of choice, memory, and personal storytelling.

Central to Sophie's practice is a focus on the choices people make, and the ripples or insignificance of those decisions in their adult life. Through abstraction and symbolism, she invites viewers to connect with raw, autobiographical narratives.
