

## NAKED COUNTRY AND UNSEEN PERSPECTIVES

2021

---

Imogen's artwork has a heavy focus on the earth, and its diverse range of vibrant colours. Highlighting the earth's rich texture and colour draws attention to its raw, naked beauty.

The artist uses her background in psychology to take her audience on a journey to address their preconceived ideas about the world we live in.

Held in HHG Legal Group's Perth CBD office, this program will allow select artists to showcase their work across the client floor, with over 30 metres of hanging space.
