

LIMITED WORKS SOLO EXHIBITION

2020/2021

His work is a visual experience which stirs emotions. The focus of composition with contrasting line quality gives a sense of structure and movement to all his illustrations.

The artist guides the viewer across the canvas, combining a warm autumn colour palette - evoking depth and intense contrast.

ABOUT THE PROGRAM

HHG Legal Group understands that 2020 was the most painful year on record for the Arts industry. As a result, we are very pleased to invite Western Australian artists to participate in our new *Artists in Residence* program.

Held in HHG Legal Group's new CBD HQ, this program will see five 10-week exhibitions run over each year, allowing select artists to showcase their work across the client floor, with over 30 metres of hanging space.

Email arte hhg.com.au to find out more or express your interest in becoming a *Resident*.
